Lorena

Today, once again, your pressure washing crew was out side our building before 7am.

Once again, I am writing to you to let you know this is inconsiderate of the residential stakeholders,

and illegal.

How many times does this issue have to be brought to your attention before you deal with it?

Lorena,

Your pressure washing service was working on Center Street between 6th and 7th this morning at 6:30 am.

This is a violation of the city notice ordinances... please contact the LAPD Noise Enforcement Team to confirm that this activity is prohibited before 7am.

I would like you to contact your vendor, explain the prohibition against this activity prior to 7am, and CC me on the correspondence so that I know you have dealt with this matter....
